MAIN AGENDA ITEMS

• Feedback from Angela W re FHC and Confirmation programmes review (Delivered by ANW in AWs absence)

Both programmes received overwhelmingly positive feedback Several of the group would like to continue with Bible study

Need for resources and additional catechists. Mich is stepping down.

Involvement of candidates with parish events has worked well, eg Choir, Carols and Candles, church cleaning

Great success with new resources. Some parents have offered to help with next course.

(Fr John): need to more focus more on preparation for confession, some children unsure what to do in second and subsequent confessions. Angela W suggested Awayday devoted to this

(Mike K), next step is Friday evening youth group, getting people involved Faith formation team to meet with confirmation catechists to discuss moving forwards

Baptism also needs a programme.

• New RCIA to start in October (MK and FrT)

New American course material. Will be open to existing Catholics who wish to deepen or rediscover their faith, as well as to new enquirers

Poster and fliers on the way

Need to consider which day and room to run the event given limited space.

• Altar servers update (Fr J)

25 registered members but only 10 of them are 'active'

1 at 6.30, up to 3 at 9am, up to 7 at 11am, no one 5.30pm

2 from the FHC group came to the latest practice. Can we encourage more families? Kids need parental support for transport etc.

Practice to continue monthly. Potential for increasing, and dividing for training and rehearsal into newbies and more experienced

Maybe enrol some more servers into Guild of St Stephen in December

• Building project update.

New toilet next to MC room to be installed in August. Extra storage space needs sorting

Work starting second week in August, max 3 weeks Then we can look at renovating toilets in the hall.

• Security system.

Now installed in the altar servers' sacristy

Need to close door when entering and then disarm the system.

Fobs can be kept near the system (concealed)

30 seconds from entering to use the fob to disarm the system, Tap fob on the system when leaving to reactivate the system, 25 seconds to leave.

• Bereavement team update

Group to support families with lead up to and follow up from funeral. In the middle of revising funeral mass booklet.
